## Priority Bills Needing Action This Week

It will be very helpful for you to know what legislative committees that your own three legislators sit on. **If your own representatives sit on House Health and Wellness committee or House Rules, you have an opportunity to take action.** Likewise, **if your own senator sits on Senate Health and Long-Term Care committee or Senate Rules, take action on the bills listed this week.** When you review these bills always look to see if your own legislator is a co-sponsor and write an email to thank them.
