

HOSPITAL DISTRICT FACT SHEET

Kittitas County has Two Hospital Districts

Hospital District #1 (HD1) covers lower county - Kittitas Valley Healthcare (KVH hospital)

Hospital District #2 (HD2) covers upper county - Medic One ambulance service

Each Hospital District is governed by a Board of 5 elected commissioners who serve 6-year nonpartisan terms

What does the Board of Commissioners do?

Set policy & operational organization, and the delivery of quality care

Adopt general policies & delegate day-to-day operations to the district administrator

YOUR VOTE will help determine what healthcare services are available to you, service location, potential tax burden, so carefully review candidates for Hospital District Commissioner

How are Hospital Districts Funded?

Patient fees

Property taxes

Bonds

Only voters in upper county can vote for commissioners to HD2 while only lower county voters can elect commissioners to HD1. Go to VoteWA.gov to discover which Hospital District you reside within.
